TRADE MARKS

Our **TRADE MARKS** which appear on all our manufactures are our **GUARANTEE** to the user that we stand by our products and that in them they obtain the **BEST VALUE**.

VALUE, not necessarily **LOW FIRST COST**, is the claim we make for **BRADES** Tools, and our policy is to offer our best service to the user by supplying him at a price that he is able and willing to pay. In Stocking **BRADES** Tools our customers will be studying not only their own but the **USERS**' best interests.

The BEST GOODS are usually the BEST VALUE, the EASIEST TO SELL, YIELD THE BEST RETURN TO THE DISTRIBUTOR, and never fail to increase sales by the satisfaction they give and the avoidance of the trouble and complaints inseparable from so called "cheap" Tools.
